RE: ARRA Buy American Manufacturer Certification of Commitment

KobeWieland Copper Products, LLC (KWCP) acknowledges to and for the benefit of the purchaser and the State (the state funding this project) that it understands the goods and services under this Agreement are being funded with monies made available by the federal American Recovery and Reinvestment Act of 2009 (ARRA)(or are being made available for a project being funded with monies made available by the federal ARRA) and such law contains provisions commonly known as "Buy American;" that requires all of the iron, steel, and manufactured goods used in the project be produced in the United States ("Buy American Requirements") including copper tubes incised KWCP sizes ¼" through 3-1/8" provided by the Manufacturer pursuant to this Agreement. KWCP hereby represents and warrants to and for the benefit of the Purchaser and the State that (a) KWCP has reviewed and understands the Buy American Requirements, (b) all of the ¼" through 3-1/8" copper tube produced by KWCP used in the project will be and/or have been produced in the United States in a manner that complies with the Buy American Requirements, unless a waiver of the requirements is approved, and (c) KWCP will provide any further verified information, certification or assurance of compliance with this paragraph, or information necessary to support a waiver of the Buy American Requirements, as may be requested by the Purchaser or the State.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael E. Burke", written over a horizontal line.
